

Hattrick Scores Privacy Policy

Last modified: May 24, 2019

In our Privacy Policy it is explained:

- What information is collected and why we collect it.
- How we use that information.

Your privacy is important to us, so even if you are new to Hattrick Scores or a long time user, please take a moment to learn about our practices and if so, ask us to contact us at hattrickscores@gmail.com.

Information we collect

We collect information in the following ways:

Information we obtain from your use of our services. We collect information about the services you use and how you use them, such as when you click on the app notifications or when you install one of our apps on your mobile device. This information includes:

Device information

We collect specific information about the device (such as the hardware model, operating system version, unique device identifiers and mobile network information). Hattrick Scores may associate your device identifiers or your telephone number to use in the future in case you need to retrieve information from our users and carry out control of the number of people accessing our services.

Registration information

When we use our services or content by Hattrick Scores, we have collected and stored the information in the records of our servers. This includes:

- Details about how our service is available, such as your search queries.
- Information on Internet registration and status of the navigation network.
- Internet protocol address.
- Device event information, such as faults, system activity, hardware, browser type, browser language, date and time of the request and reference URL.

Location information

If you use the services of Hattrick Scores, you can collect information about your actual location. There are other technologies to determine the location, such as the GPS system and other sensors

that can, for example, provide Hatrick Scores with information about Wi-Fi access points and devices.

[Local storage](#)

We may collect and store information locally on your device with mechanisms such as internal storage and application data caches. It should be noted that we do not collect personal information but only store data necessary for the operation of the application such as the standings and match tables.

[How we use the information we collect](#)

The information we collect from all our services to provide, maintain, protect and protect you, to develop other new services. We also use this information to provide you with personalized content (for example, so that the information has been customized according to your tastes in sports applications).

If you contact us, Hatrick Scores keeps a record of your communication to help with any problems you may have. We may use your email address to inform about our services, such as knowing about upcoming changes or improvements. Request your consent before using the information for any purpose other than those provided in this Privacy Policy.

[Transparency and options](#)

People have different concerns about privacy. Our goal is to be clear about the information that can be found on Google Play or in the App Store, you can access this tool for the improvement and development of new services. without sharing this information with third parties.

[Information that you share](#)

There is no possibility that the information you provide us will be shared for free.

[Modifications](#)

Our Privacy Policy may be modified from time to time. Do not limit your rights derived from this Privacy Policy without your express consent. Publication or modification of the privacy policy on this page and, in this case, it is a more prominent notification (for example, an email notification about changes to the privacy policy).
